3GenWealth was established by David Peck's father and Ryan Peck's and Jessica Peck Donnerstein's grandfather, Donald Peck, in 1964 in Overland Park, Kansas. 3GenWealth has offices in Overland Park, KS and Scottsdale, AZ. In association with FSC Securities, the advisors of 3GenWealth offer independent financial management and advice in the key areas of Retirement Planning, Financial Planning and Wealth Management. For three generations, we have created multi-generation long-term relationships and have offered highly personalized wealth management services to our valued clients.

Dave, Ryan and Jessica have all obtained their CERTIFIED FINANCIAL PLANNER™ designations, widely regarded as one of the most important designations in the financial advice industry. As independent financial planners, we objectively and thoroughly research any portfolios or investment products we recommend to our clients and take a holistic approach to assisting our clients in their wealth management consulting process. We have been affiliated for over 30 years with an independent broker/dealer, FSC Securities Corporation. We believe this provides an added layer of due diligence for our clients.

As small business owners, we are heavily invested in our business. We primarily grow our business through high-quality referrals from our existing clients.

If we haven't met, please contact us anytime at 913-894-4404 to set up an initial complimentary consultation with any or all of our advisors.
