

# Retirement Plan Strategies with Fiduciary Care for Small Business Owners

Fiduciary 401(k) Advisors is an independent financial planning practice advising both corporate and individual retirement programs as a fiduciary. Based in Scottsdale, Arizona, the firm serves the larger Maricopa County area and, with licensure in 28 states, serves clients nationwide.

As an independent 408(g) fiduciary advisor, founder Michael Prah! is committed to acting in the best interest of each client or participant and partners with other fiduciary service advisors to manage much of the liability of corporate retirement plans. Employers can mitigate their fiduciary risk and spend less time managing the company 401(k) plan.

## How Michael Can Help

Working with a wide array of small businesses and nonprofits, including medical and dental practices, law firms, charitable foundations, and engineering companies, Michael seeks to act as a “one call” resource for understanding, reviewing, and implementing corporate retirement strategies and solutions. Through a diligent process, he aims to help clients understand retirement plans and manage the process of selecting a program for their employees.

With a passion for helping take the mystery out of preparing for tomorrow, Fiduciary 401(k) Advisors is dedicated to building long-term relationships with clients and helping them find an investment solution that may suit their needs.
