\$442.10

per \$100,000 borrowed

Rates as of 07/08/19 and can change without notice

¹ Maximum loan amount \$726,525

² Rate is based on 45-day lock for purchase transaction

³ The information provided on this page is for informational and comparative purposes only. Rates and terms may change at any time and without prior notice. Your actual rate, payment, terms, and costs could be different. Get an official Loan Estimate before choosing a loan. Your rate, fees, and terms may differ based on various factors such as: when your rate is locked, actual occupancy status, loan purpose, loan amount, credit score, debt to income ratio, loan to value ratio, etc. The payment examples are principal and interest only and do not include mortgage insurance, taxes and other property insurance. The actual payment will be higher if mortgage insurance is required on your loan. Your actual payment obligation will be greater considering taxes and insurance premiums.
