Who We Are

Carosa Stanton Asset Management, LLC is a Registered Investment Adviser headquartered in wonderful Western New York. We specialize in providing exclusive private independent investment counsel to individuals, trustees, and retirement plan fiduciaries.

Christopher Carosa, CTFA and the late Gordon Stanton established the firm in November 1996. Our new office (pictured above) can be found at the cozy crossroads in the hamlet of Mendon, New York. We continue to be a leader in using techniques derived from behavioral economics to help diminish downside risk and reduce fiduciary liability. With our veteran experience, we offer the Next Generation in Investment Management.
