

# FEE ONLY FINANCIAL PLANNERS IN DENVER

At Sharkey, Howes & Javier we appreciate all of our clients who have entrusted us with their financial lives. Our clients are retired, retiring, building their wealth, or going through transitions like having children, a job change, divorce or death in the family. It has been our responsibility and privilege since 1990 to help our clients plan, invest, succeed.

## Why are my Medicare Premiums Increasing?

For many people, Social Security and Medicare seem to go hand-in-hand. Both benefits are typically received during your 60s, and Medicare premiums are often deducted from monthly Social Security checks...

## Inside The Economy with SH&J: Manufacturing Slowing & Emerging Trade Partners

On this week's Inside the Economy with SH&J, we discuss a slight slowdown in the manufacturing sector of the economy. Inventories and job cuts are increasing, but how important is...

## Understanding Interest Rates (part 1) | Historical Highs and Lows

Interest rates have a significant impact on your finances whenever you purchase an expensive item, such as a house or car. Interest rates have fluctuated a great deal over the...
