What matters most to you when you look for an **investment advisor**?

First and foremost, you want a firm you can trust.

But how do you find an advisor you can trust? Probably the best place to start is by getting to know the *people* behind the masthead. What are they like? What is their background and experience? [Click here](#) to meet Jack Bowers and Ken Weber. You'll see a brief video of who they are and how they might make your investing life more successful and less stressful.

• **In these perilous times...**

...of scams and Ponzi schemes, it is important to feel secure with your advisor relationship. That's why your Weber Asset account is held *in your name* at Fidelity Investments. You receive trade confirmations and

5 Costly Mistakes You (or Your Advisor) Might be Making Right Now
Protect yourself! Smart investors sometimes do not-so-smart things. In this Free Report, Ken Weber reveals the most common mis-steps made by investors and their advisors.

monthly statements directly from Fidelity. Plus you can always go online to access your account.

When it comes to your money, peace-of-mind is key.
