# Building Portfolios to Last a Lifetime

## Independent Expertise, Individualized Attention

Northstar approaches the investment management business differently.

We put our clients' interests first, providing prompt personal service, in-house technical expertise and a transparent fee structure that ties our success to yours.

## Who We Serve

We work with individuals and families to help them build portfolios to support their lifestyles. For our clients who are saving for retirement, we have an investment strategy focused on accumulating wealth. For those living off their money, we have a portfolio designed to provide distributions.

## The Odds on Needing Long-term Care

*By Charlie Farrell*

**June 6, 2019** —”But the greater risk to your nest egg, says Charlie Farrell, chief executive officer of Northstar Investment Advisors in Denver, is the possibility that you could be one of the unlucky ones, a person who needs, say, five years or more of care—and whose spouse needs a long period of care, as well.”

## Community Update

*By Fred Taylor May 30, 2019*

I've written in the past about the importance of giving back to the community – a value instilled in me by my late father and fellow Northstar Co-Founder, Moses Taylor. I am happy to share some news about my growing involvement in Denver's nonprofit community. Last month, I was honored to be elected chairman of...
