

Official Site for Tom Ek

Thomas P. Ek, Ph.D. is a seasoned financial professional who has been with Fisher Investments since 2000. He is based in Scarborough, Maine, and works with clients throughout the New York/Northeast region. Prior to joining Fisher Investments, Tom Ek was a financial advisor with the New England Financial Group in Baltimore, Maryland, working with high net worth individuals for 7 years. He focused on conceiving and implementing comprehensive programs including insurance, investing, long-term health care and estate planning. Tom Ek was regularly a top performer and was frequently called upon to teach new financial representatives about company products, procedures, and services, both at the local and national levels. Tom Ek's 18 years of experience in the financial services industry equip him to help prospective clients make informed decisions about their long-term portfolio management needs, and whether Fisher Investments is the best fit for those needs. Tom Ek earned his doctorate of philosophy in chemical engineering. To contact Tom Ek, call 800-851-8845.
