Why We're Different

High-performance investment management to control risk and help you achieve your goals

Full-service financial planning and ongoing support to save you time and help organize your financial life

GIPS®-compliant investment reporting, so you have the information you need to evaluate our performance

The investment management industry shortchanges individuals by focusing on brands and emotions instead of the things that really matter to your financial future: transparency, low fees and consistently strong investment returns. We built Arroyo because we believe you deserve more.

~ John Odell, Co-Founder, Arroyo Investment Group

Did You Know?

Only about 1,600* firms in the entire world provide independently-verified investment results.

The vast majority of these firms work with corporations and institutions, who demand this information, not individuals.

At Arroyo, we believe we should be held accountable, so we voluntarily

At Arroyo, we believe we should be held accountable, so we voluntarily

provide GIPS® compliant, independently verified investment results.
