On behalf of the [Nevada Capital Investment Corporation \(NCIC\)](#), SSOF seeks to generate greater returns for the state's Permanent School Fund and secondarily increase economic development and employment in Nevada. SSOF is managed by [Hamilton Lane](#), a leading global private equity asset management firm.

Capital for the program was made possible by the passage of Senate Bill 75, which allows the state's Permanent School Fund to increase its returns by investing in equity securities.
