
HOWARD FINANCIAL SERVICES, LTD was established in 1994 to provide comprehensive financial planning and investment management services. Our wealth management division, **HFS Wealth Management**, offers comprehensive financial advisory, portfolio management and consultative services. Proprietary investments are offered through our private investment affiliate, **HFS Capital Partners**.

Please follow the links below to learn more.

HFS CAPITAL PARTNERS is an independent asset management firm organized to execute proprietary investment strategies for qualified individuals, families and institutions. We follow an opportunistic approach to investing and search for investments that meet the long-term risk and return objectives of our clients.
