

NOT YOUR MAINSTREAM EQUITY FIRM.

Independent thinking.
Sound judgement.

Ardent focuses on fundamental equity analysis and active portfolio management for the long-term investor. The firm's CEO and Portfolio Manager, Christopher Donabedian, CFA, has a 20-plus year track record of managing high-conviction, concentrated portfolios and delivering attractive long-term results. In addition to managing client portfolios, the firm has successfully advised on over \$500 million in transactions in OTC derivatives, real estate, private equity, venture capital and other private deals, further strengthening the firm's business-like approach to managing equity portfolios.

Ardent seeks to compound client wealth and emphasizes the avoidance of permanent loss of capital. Clients are predominantly single and multi-family offices. Our clients have come exclusively by referral.
