

Brighton Jones Wealth Management and Finance

Whether you want to save for the future or celebrate today, give back to the community or explore the globe, your values matter. The challenge is aligning your time and resources to those values, so you can go after the things you truly care about.

For us, protecting and growing your wealth is a foundational part of that journey. But our goal is bigger than your financial success. We want to be the partner that helps you align your wealth, your passions, and your purpose, so you can pursue the life you want.

Plan now for your family's future and your business' success. [Start a conversation](#) with one of our wealth advisors in [Washington, D.C.](#) to see what a Personal CFO can do for you.

Your Personal CFO

As your Personal CFO, we develop a deeper understanding of your goals and your life, so that we can provide a more holistic view of your entire income statement—just as a chief financial officer would for a company.

OUR DIFFERENT APPROACH

Our team at **Brighton Jones** develops a personalized strategic plan just for you that considers how a decision in one area of your financial life impacts the bigger picture. That means you no longer need to herd a group of unrelated wealth, tax, and legal advisors whose interests may not always align with yours.
