Ladenburg Thalmann & Co. Inc. is one of the oldest and most respected investment management firms on Wall Street. Since our establishment in 1876, we have maintained traditions based on the importance of long-term relationships, integrity and the highest level of service. These traditions emphasize Ladenburg Thalmann's commitment to achieving outstanding results for our clients.

Ladenburg Thalmann Asset Management (LTAM) is a subsidiary and registered investment advisor. LTAM professionally manages money for corporate, institutional and individual investors.
