INVESTMENTS BUILT ON EXCEPTIONAL JUDGMENT

We create real estate value for our institutional investor clients by relying on the fundamentals of proprietary research, innovative ideas and the judgment of thirty-six years of experience. Our goals have been consistent over time:

- to deliver strong investment performance through the cycles
- to remain focused on our clients with innovative products built around investor objectives
- to execute a research-driven investment approach through our locally-based professionals

Clarion is an independent affiliate of Legg Mason. Each senior executive holds a significant equity position. In our partnership culture, clients come first.

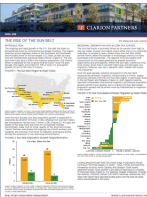

We provide investors with long-term real estate solutions, mindful of our obligations of responsibility, transparency and trust.
