

OPPORTUNITY RISING

DISCOVER HOW WE MAKE A DIFFERENCE

West is where dawn breaks on world-changing ideas. More than a location, it's a way of doing business—an ethos in which innovation thrives and optimism abounds.

We're excited by the greatness of possibility and the extraordinary potential for companies and individuals to prosper. At Moss Adams, we bring more West to business.

Prosperity is built on the ability to recognize opportunity—and the willingness to seize it, even with the acceleration of change and complexity in the marketplace. We offer our perspective to help companies and individuals conquer challenges as they plan for what's next.

With a rare blend of inspiration and technical excellence, we empower our clients to discover and claim the future.

Here you'll discover the advantage of industrial-grade expertise.

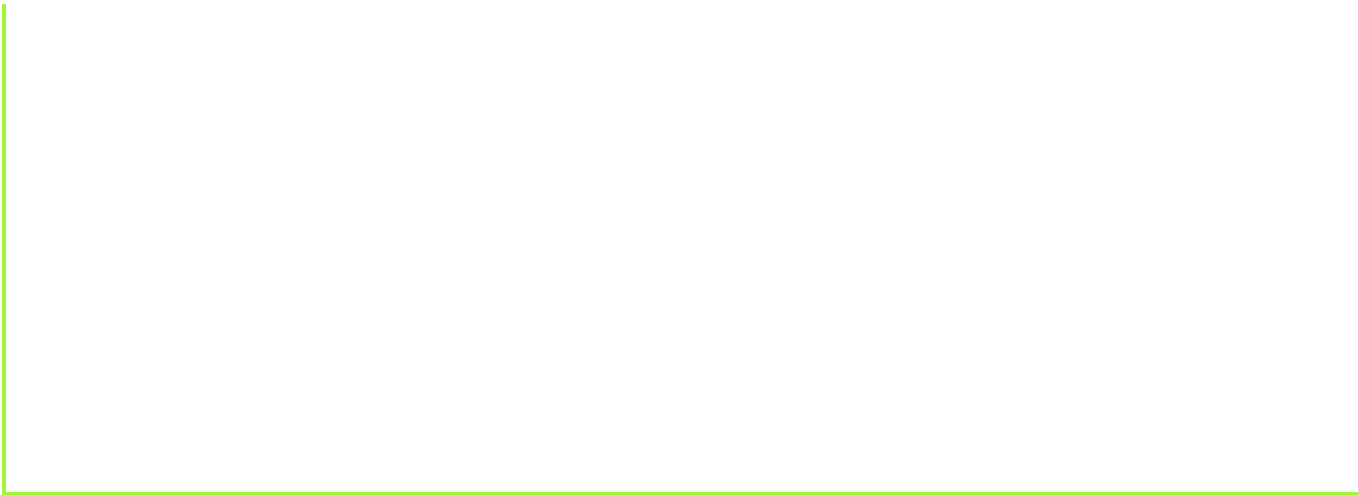

Beyond technical acumen, our professionals are steeped in the market sectors they serve and share the same entrepreneurial ethos as our clients. Our keen understanding of industry trends and challenges permits us to anticipate and respond to opportunities for our clients that might otherwise go untapped.

Accounting, Consulting & Wealth Management

Delivering a full spectrum of accounting, consulting, and wealth management services, we dive deep into each industry to bring greater contextual understanding to every engagement. As a result, conversations are more illuminating and solutions more precise.

With an abiding sense of responsibility for our clients, our colleagues, and the future, we're committed to delivering the highest level of professional integrity. Blending pragmatism with optimism, we help middle-market companies and individuals embrace emerging opportunity.

Industry obsessives, we appreciate our clients' interests and objectives in their markets, and we transform data into meaningful business insights.

We closely monitor regulatory agencies, participate in industry and technical forums, and write about a wide range of general as well as industry-specific accounting, tax, and business issues.

Tax Reform

The new tax reform law, known as the Tax Cuts and Jobs Act, was signed by President Trump on December 22, 2017. It represents the most sweeping rewrite of federal tax code in more than 30 years. Visit our dedicated [tax reform page \(/tax-reform\)](/tax-reform) to learn more about implications for you and your business.

ARTICLE

POTENTIAL INCREASED REPORTING OBLIGATIONS

With tax reform's repeal of Section 958(b)(4), many US taxpayers may face increased 1099 reporting obligations.
