## Take the guesswork out of investing

Find out why thousands of fund & ETF investors trust NoLoad  
FundX to help them take charge of their investments.

### Top-rated fund strategies

Strategies designed to keep you in the best areas of the market and (just as importantly) out of the worst ones.

### 40+ year track record

NoLoad FundX "has beaten the stock market over the past four decades,"  
Mark Hulbert, MarketWatch, July 2018

### Monthly investing guidance

Know what to pay attention to and  
what funds to buy and sell. No magic.  
Just facts.

### Easy-to-use online tools

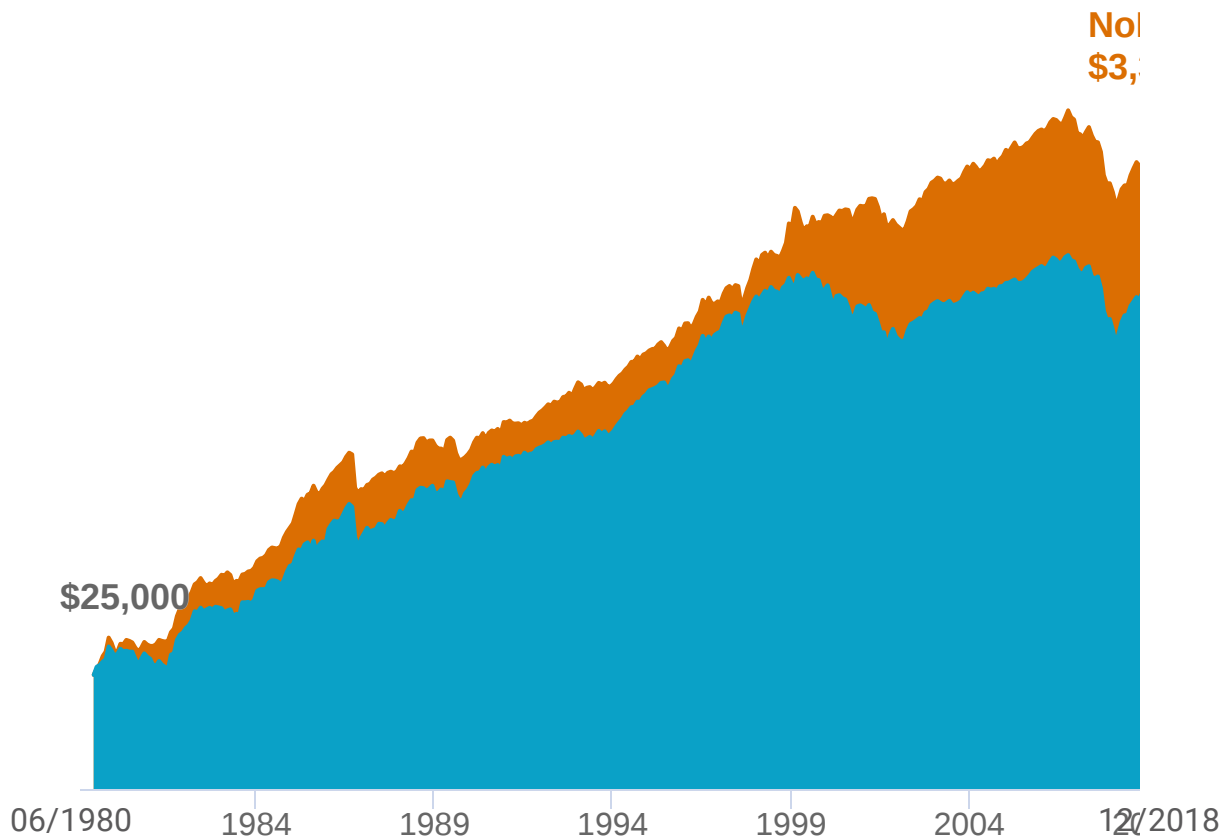

Keep track of the funds you own now  
and the funds you might want to own  
in the future.

***“ Investing is something most people  
can do, even those who never imagined***

*they could.* ”

Janet Brown, FundX President & CEO

## Real Results

[Click here](#) for important disclosures.

You don't have to own high-risk investments to get ahead.

FundX's model portfolio of core diversified stock funds has outperformed the S&P 500 Index for nearly 40 years.

*Chart shows model performance of NoLoad FundX's diversified stock fund (Class 3) portfolio since 1980. Results are calculated monthly by an independent data service, Hulbert Ratings, LLC.*
