Investing for Good®

Domini Funds shareholders use their investment dollars to make a difference, creating positive impact for people and the planet. In our new 2018 Impact Report and quarterly Impact Updates, we share the many ways their money is at work for change. Learn how your investments can be part of creating a more sustainable future for all.

Toward a Better Future

At Domini, we use three fundamental impact strategies to further our goals of universal human dignity and ecological sustainability:

- **Standards**: We apply social and environmental standards across all of our investments
- **Community Investing**: We direct capital to help build strong, healthy communities
- **Engagement**: We engage with companies, civil society organizations and policymakers to effect positive change

Striving for positive results for your wallet and the world

The Domini Impact International Equity FundSM invests in companies across Europe, the Asia-Pacific region, and throughout the rest of the world, seeking to promote universal human dignity and ecological sustainability.
