“The world of financial planning is far too complex to not have a financial advisor on your team. Our team's goal is to help you pursue your goals.”

Susan Kuhlenbeck, VP, Co-Owner

The AdvisoryHQ Top Rated Financial Advisory Firm award is based on a wide range of filters including total assets under management (AUM), firm size/quality, the amount of revenue generated by an advisory firm, fiduciary duty, independence, transparency, level of customized service, history of innovation, fee structure, quality of services provided, team excellence, and wealth of experience.

What's New

Recycle

Reduce. Reuse. Recycle.

At my house the recycling bin is often more full than the garbage bin when the carts are rolled out to the curb for collection. We use our plastic grocery bags to clean up after the cats and dog. Unfortunately, reduce is a far more elusive objective with three kids. If anything we are doing instead of reducing

anything we are doing instead of reading.

Flood

Today is yet another cold and miserable day this spring, and forecasters are predicting another 1 or 2 inches of rain for southern Wisconsin.

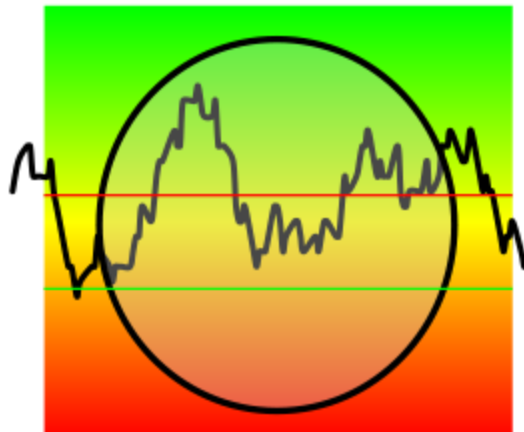

The National Weather Service reports that so far 2019 has been above average for snow and overall precipitation, and we have employees and clients whose basements have suffered from this overabundance of water.

Security

Last week the trustees of the Social Security trust funds issued their 270-page annual report on the financial security of the Social Security program. As the trustees have warned for many years, the current structure of the Social Security program is not sustainable beyond the mid-2030s.
