THREE STEPS TO A SECURE TOMORROW

FROM OUR BLOG: THE STARLIGHT NAVIGATOR

The Financial Realities of Longevity

Your financial future is up to you and no one else. What will be your future? You know that solid retirement strategy takes your time horizon, an often unpredictable factor, into consideration. Your thinking must include an awareness of how long you must save for and what sort of expenditures may be ahead. The most recent findings from the Centers for Disease Control and Prevention ... Keep Calm, Stay Invested

Expect volatility, but avoid letting the headlines alter your plans. Recent headlines have added volatility to the markets. There will always be new headlines, and any of them could mean turbulence for Wall Street. As an investor and retirement saver, how much will this turmoil matter to you in the long run? Not as much as you may expect. There are many good reasons to remain ... [READ MORE](#)

The Cost of Procrastination

Don't let procrastination keep you from pursuing your financial goals. Some of us share a common experience. You're driving along when a police cruiser pulls up behind you with its lights flashing. You pull over, the officer gets out, and your heart drops. "Are you aware the registration on your car has expired?" You'd been meaning to take care of it for some time. For weeks, you had told ...
