Please consider carefully a fund's investment objectives, risks, charges and expenses. For this and other important information, to obtain a hardcopy statutory and summary prospectus call 844.ETF.JETS (844.383.5387). Read it carefully before investing.

Investing involves risk, including the possible loss of principal. Shares of any ETF are bought and sold at market price (not NAV), may trade at a discount or premium to NAV and are not individually redeemed from the fund. Brokerage commissions will reduce returns. Because the fund concentrates its...
