## Midyear Outlook: Reining in Risk

<http://franklintempleton.talkingmarkets.libsyn.com/midyear-outlook-reining-in-risk>

Jun 28, 2019

Equity markets continued to march higher in the first half of 2019, despite trade uncertainties and recessionary fears. An abrupt change to a more dovish stance among central bankers has recently provided fresh tinder to the equity fire. But does a looser policy stance signal there are cracks in the global...
