Institutional Infrastructure

Group. In fiscal year 2018 over 142,000 employees worldwide achieved total revenues of \$150 billion and an operating profit of \$13 billion.¹ Allianz SE, the parent company, is headquartered in Munich, Germany.

The Allianz Group has long-tenured experience in investment management starting in 1922 when it first launched its life insurance business and began investing premium. Driven by nearly a century of growth and the globalization of financial markets, the Allianz Group established the global Allianz Investment Management network in 2007 to steer the investment of premiums generated by Allianz insurance companies worldwide, serving as the bridge between the insurance and capital markets for the Allianz Group.

Global Network

Since its inception in 2007, the global Allianz Investment Management network has grown to over 500 professionals, strategically concentrated in five regional hubs- Milan, Minneapolis, Munich, Paris, and Singapore- collectively managing \$772 billion in assets.¹ This network provides an avenue for collaboration and diverse thought leadership shared amongst partners from around the globe.

Local Delivery

Allianz Investment Management LLC is a registered investment adviser formed in 2001 and represents the Minneapolis hub of the global Allianz Investment Management network, managing \$145 billion in assets.¹

Today, Allianz Investment Management LLC offers its capabilities beyond the Allianz Group. Our Minneapolis-based firm is positioned to harness the benefits of our institutional infrastructure and global network alike as we deliver solutions designed to meet the unique needs of clients, no matter where they are in their investment journey.
