Certified Public Accountants  
and Financial Advisors

Great Service starts with taking care of our employees, who in turn will be happy, productive, and take great care of YOU.

[LEARN MORE](#)

## AUDIT

Don't panic. We will handle all your audit, review, attestation, and compilation needs.

## TAX

We offer a wide range of tax strategies, consulting, and compliance services to individuals, businesses, estates and trusts.

## CONSULTING

Whether you need outsourced accounting, business performance enhancement, technical CFO advisory services, business management, forensic or bankruptcy services, Squar Milner can help.

## PLANNING & INSURANCE

Proper planning begins with an understanding of short and long-term objectives. We go to know your business needs so you're fully protected.

Certified Public Accountants  
and Financial Advisors

Our team of partners, principals, and officers is committed to giving you an incredible experience every time you call Squar Milner. We're professional, experienced, friendly, trustworthy people, and we genuinely care about you and your business.
