Market Update – January 2019

January 30th, 2019 | Comments Off on Market Update – January 2019

"It is Time!"

A major cyclical turn is at hand, in our opinion, as the Federal Reserve's rate hike cycle appears to be hitting the wall with global economic growth decelerating and equity markets and consumer [...]

Market Update – November 2018

November 21st, 2018 | Comments Off on Market Update – November 2018

December FOMC – Potential Gold Price Catalyst

The tone at the Federal Reserve is changing. Last week in a speech at the Dallas Fed, Chairman Jerome Powell acknowledged economic headwinds are mounting, such as slowing global [...]

Market Update – September 2018

October 15th, 2018 | Comments Off on Market Update – September 2018

At the Federal Reserve's annual August Jackson Hole retreat, Federal Reserve Chairman, Jerome Powell, reiterated the Federal Reserve's stance that "a gradual process of normalization remains appropriate". Unfortunately, the path to "normalization" is fraught with [...]

Company Profile

Founded in 1991, Orrell Capital Management is an SEC registered investment advisor specializing in the precious metals mining industry. We provide defensive style investment management services to institutions and individual investors.

Our Philosophy

Orrell Capital Management (OCM) has a strong belief and understanding in gold's monetary attributes and seeks to deliver investment performance through a disciplined approach utilizing our in-depth knowledge of gold's monetary attributes and the precious metals mining industry. Our investment philosophy emphasizes preserving the long-term purchasing power of client portfolios as the foundation for maximizing total rates of return.

We believe our precious metals equity products can provide favorable rates of return as a contra-cyclical investment in periods of declining financial asset markets. In addition, our
