## Welcome to Strong Tower Wealth Management

We have been serving high-net-worth individuals, business owners and families in the Minneapolis, MN area for nearly 30 years. Our vision began with a simple motivation – to create the kind of wealth advisory firm we would want for our family. We deliver a client experience that is both personally fulfilling and completely transparent. We help our clients find the place where their personal and financial lives intersect.

We begin by developing a deep and [intentional](http://www.strongtowerwm.com/p/about-us#intentional) relationship with each individual and family we serve. Once we understand their core values, we customize a holistic wealth plan founded on those values. We employ a strategic [sequence](http://www.strongtowerwm.com/p/about-us#sequence) to integrate every element of their wealth plan and then continually monitor and adjust the plan as needed. We put our clients on a [pathway](http://www.strongtowerwm.com/p/about-us#pathway) to financial freedom and help them create a personal and financial legacy that will last for generations.

We invite you to come in and meet us face to face. See if our approach aligns with who you are and what you value. We look forward to earning the opportunity to serve you and your family for years to come.

Sincerely,

Greg and Troy
