Asset Management

As financial advisors move more towards ETFs and robo-advisors, Cox Capital offers a common-sense approach that harnesses the technology of today but adds a human element to the process.

Financial Planning

We place the highest priority on helping you meet your long term financial planning goals. In charting your course for the future, we assemble all of the components of your financial and personal circumstances.

Communication

We hope that our ongoing research, due-diligence, attention to detail and tremendous legwork translates into investment success, achievement of financial goals, and long-lasting client relationships.
