

Getting Ready for a Recession Means Being Prepared.

Recessions happen because good times cause bad times and, fortunately, vice-versa. If you're prepared, a recession can present planning opportunities. Take a journey with us and see the opportunities that can bloom from a recession.

START

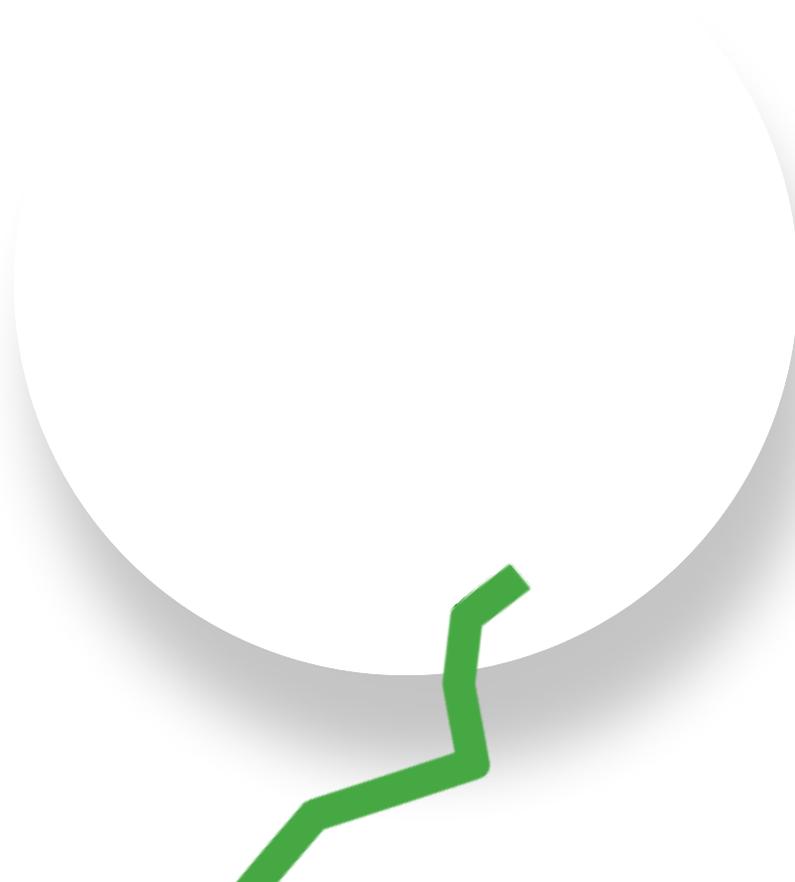

01

History

- _Business Cycle
- _Expansions
- _Recessions

Economies engage in a natural business cycle of economic activity. Although troubling, recessions are an inherent part of the economic cycle.

02

Triggers

- _Fed Tightening
- _Yield Curve Inversion
- _Rate Equation

Pay attention to key indicators and symptoms - instead of hiding from the reality of recession, we can employ a bit of foresight and planning.

03

Opportunity

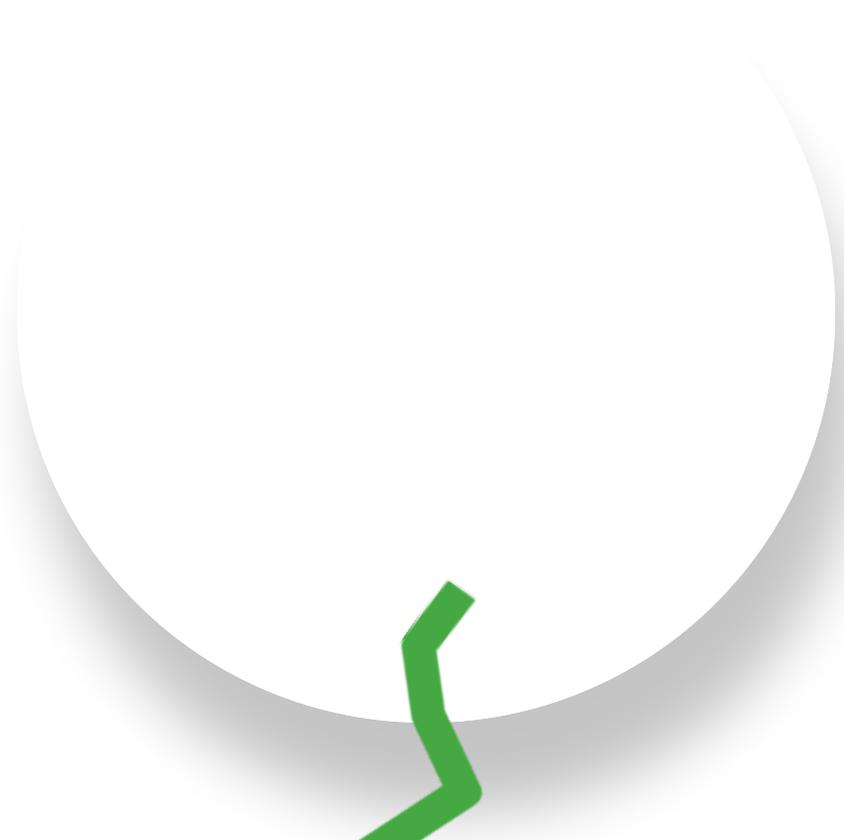

_Timing

_Budget

_Competition

We can work toward seizing the opportunities a recession presents. Just as surely as the economic cycle will present times of decline and contraction, growth will come again.
