

# **CARLSON CAPITAL**

---

Carlson Capital, L.P. is an alternative asset management firm. Founded in 1993 by Clint Carlson, we currently manage over seven billion dollars in hedge fund and CLO assets. The firm rests on three pillars: philosophy, people, and process.

# PHILOSOPHY

We believe that superior risk-adjusted returns can be achieved by the use of thoughtful, targeted hedging strategies and diversification, across multiple strategies and multiple decision makers.

# CAREERS

We seek qualified candidates who are intellectually curious, passionate about the business, and highly motivated. Carlson Capital offers a wide array of opportunities across various functional areas.

## **SUMMER INTERNSHIP PROGRAM**

Carlson Capital's summer internship program is open to first year MBA candidates interested in a career in investment management. Applications for candidates to participate in the upcoming summer program are reviewed in December. At the end of the internship program candidates are formally reviewed and considered for full-time hiring based on performance and manager need across our locations.

## **INVESTMENT TEAM**

Carlson Capital offers full-time employment to both talented recent graduates and experienced investment professionals. Positions within portfolio management, research, trading and risk management may become available throughout the year and hiring is generally based on need.

## **BUSINESS TEAM**

Carlson Capital accepts applications on an on-going basis for experienced professionals across accounting, tax, operations, legal, compliance, technology, investor relations and administration. Positions are generally based in our headquarters in Dallas, Texas and hiring is based on need.
