### ***Straightforward Practical Guidance***

We hope your visit will help you understand the opportunities and potential rewards that are available when you take a proactive approach to your personal financial situation. Our goal at Forthright Capital Management you gain a better understanding of the financial concepts behind investing, insurance, retirement planning, estate planning, and wealth management. Most important, we hope you see the value of working with professionals to pursue your financial goals.

We're here to help educate you about the basic concepts of financial management; to help you learn more about who we are; and to give you fast, easy access to market performance data. We hope you take advantage of this resource and visit us often. Be sure to add our site to your list of "favorites" in your Internet browser.
