CALCULATE WHAT  
HIGH FEES MAY BE  
COSTING YOU.

Select your calculator.

High retirement plan fees can take a huge bite out of your retirement savings. Often employees and employers may not even be aware that fees are being paid. Use this calculator to help determine just how much high 401k, 403b, or 457 plan fees might be costing you.

This calculator and the information it provides is made available as an independent self-help tool and is for purely illustrative purposes only. The calculator is not intended to provide or replace investment advice. You should not assume that any of this information serves as the receipt of, or as a substitute for, personalized investment advice from AHC Advisors, Inc. This calculator is not intended to predict or portray actual investment results. Default values used in the calculator are hypothetical and for illustrative purposes only, and should not be construed as advice of any form, and are not intended to reflect actual results. Your results may vary. The applicability or accuracy of these results cannot be guaranteed regarding your personal circumstances. Different types of investments involve varying degrees of risk, and there can be no assurance of the future performance of any specific investment, investment strategy, or product. Calculator results are based upon the values that you input, and you are solely responsible for the appropriateness and accuracy of the information and assumptions that you provide. The calculator does not take certain factors into account such as taxes, required minimum distributions, rollovers, and early withdrawal penalties.

To the extent that the user has any questions regarding the applicability of any specific information to his/her individual situation, he/she is encouraged to consult with the professional advisor of his/her choosing. This data is for illustrative purposes only and is purely hypothetical and should not be considered legal or tax advice. AHC Advisors makes no warranties with regard to the accuracy of this information, or the results obtained by its use. You are solely responsible for the results of the use of this information, and the appropriateness and accuracy of the assumptions that you provide. Please remember that past performance may not be indicative of future results.
