

**Preserving and  
Stewarding Clients'  
Capital Since 2003**

We are an independent Registered Investment Advisory (RIA) firm with over \$500 million in assets under management and advisement, as of March 31, 2019.

## **The ECM Difference**

### INDEPENDENCE

We are independently owned and operated. We are not owned by a large bank or brokerage firm and we do not sell proprietary or in-house products.

### FIDUCIARY

We are a legally-bound fiduciary and put our clients' interests first. We avoid the conflicts of interest and self-dealing prevalent in the financial services space.

### TRANSPARENCY

Many investors do not know how they are performing or how much they are paying. Our fees, service, and performance are clear: we empower the client to evaluate us.
