Choosing a **CERTIFIED FINANCIAL PLANNER™**
Professional

Choosing a CERTIFIED FINANCIAL PLANNER™ (CFP®) professional is as important as choosing a doctor or lawyer; it's a very personal relationship. Many CFP® professionals specialize in working with certain types of clients, such as small-business owners, executives or retirees. Some specialize in certain areas of planning such as retirement, divorce or asset management. We recommend you interview at least three CFP® professionals to find the right one that best serves your needs.
