Boutique investment management with a *rare perspective*
into fixed income markets

Mike has over 20 years of experience as both a portfolio manager and analyst as well as a prior tenure on the Fixed Income trading desk. He holds undergraduate and graduate degrees (MBA) from Boston College where he was the starting quarterback on the football team in the late 80's. Mike, as the firm's CIO, is responsible for all portfolio structuring and continued monitoring. Prior to founding Power Asset Management in 2003, he was the Director of Fixed Income for Howard Capital Management and Fixed Income portfolio manager for RNC Genter in Los Angeles. The earlier part of his Fixed Income career was at Paine Webber in Los Angeles on the Fixed Income trading desk and Merrill Lynch in Boston as a financial consultant concentrating on Fixed Income investing.
