(</about/>)

## OUR MISSION

---

"To make a positive difference in the lives of our clients through professional and effective portfolio management." We do that by sticking to our methodology developed from our **75 years of combined investment experience**.

## OUR INVESTMENT STRATEGY

(investment-

strategy/philosophy/)

## SLOW & STEADY

---

We take a disciplined approach for both individuals and institutions. Allowing us to manage for the longer term, through the various market cycles has resulted in the All Cap Value Composite portfolio **beating the S&P 500 index** (including reinvestment of dividends) in nine out of ten 15 year periods from 1995 through 2018.
