FINANCIAL PLANNING

Prince Financial Advisory, LLC offers personalized financial planning for individuals or couples. The financial analysis is customized and not a boilerplate or prepared in the back office.

[Learn More](#)

DIVORCE PLANNING

It's been said that divorce is part legal, part emotional, and part financial. Unfortunately, the financial part isn't fully recognized until after the divorce which is when reality truly sets in.

INVESTMENT MANAGEMENT

Managing investments is not financial planning. For a certified financial planner practitioner, managing and monitoring investments is part of the implementation of the financial plan.
