## April 2019 Newsletter

A good start, but what's next? What a difference a few months makes. In our last newsletter we counseled patience and to stick with sound investing disciplines at a time when the market was going through quite a shake-up. Here we are three months later, and the market...

## Fall Newsletter

As we move into the final quarter of 2018, it seems like a lot has happened this year but the story hasn't really changed. 2017 was the year of calm and steady markets, and 2018 has been like roller-skating on a cobblestone road. Trade policy and tariffs have been a...

## Navigating Choppy Waters

This year started off with big volatility, and while the size of market moves has calmed down a bit, the up-and-down bounce has been a constant this year. With little hope of the news cycle slowing down, and with mid-term elections this fall adding fuel to the fire,...
