

FIRM

The Radcliffe Group, Inc., was founded in 1996. Radcliffe Capital Management, L.P. is an SEC registered investment adviser that manages \$2.4 billion across defensive credit related strategies. Its clients include a cross section of large institutions and high-net-worth individuals.

STRATEGIES

Radcliffe has always pursued strategies that identify meaningful mispricing where the Principals of the firm invest alongside its clients. We currently manage four unique short duration strategies and a BDC bond strategy.

LEADERSHIP

Radcliffe's team of highly experienced professionals utilizes internally developed credit models, risk management systems, and extensive operational controls in managing our clients' capital. The team is led by its two Principals who started working together in 1998.
