

MONSOON CAPITAL

Applying our conviction in the growth opportunity of India to help enhance and diversify our clients' portfolios.

ABOUT US ([about-us.php](#))

With over 12 years of experience, Monsoon Capital is a minority-owned alternatives asset manager focused on fundamental and systematic investing in India across several asset classes.

OUR STRATEGIES ([strategies.php](#))

Monsoon Capital manages fundamental and quantitative long/short equity strategies with a specialized investment team on-the-ground in Mumbai.

WHY INDIA? (why-india.php)

India has become one of the world's strongest economic growth opportunities with a large and diverse public market, enabling us to generate attractive risk-adjusted returns for our clients.

OUR TEAM (our-team.php)

Monsoon employs a team of over 20 dedicated professionals in two offices in the United States and India, where our only focus is generating wealth for our clients.
