This website is a publication of Dorman Financial Management, P.A., which is registered as an investment adviser with the SEC. The firm only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements. SEC registration does not constitute an endorsement of the firm by the Commission nor does it indicate that the adviser has attained a particular level of skill or ability.

Information presented is believed to be factual and up-to-date, but we do not guarantee its accuracy and it should not be regarded as a complete analysis of the subjects discussed. All expressions of opinion reflect the judgment of the authors as of the date of publication and are subject to change. Content should not be construed as personalized investment advice or as an offer to buy or sell, or a solicitation of any offer to buy or sell the securities mentioned. In addition, articles and other information should not be construed as legal or tax advice. Always consult an attorney or tax professional regarding your specific legal or tax situation.

Hyperlinks on this website are provided as a convenience, and we disclaim responsibility for information, services or products found on websites linked hereto.

All investment strategies have the potential for profit or loss. Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment or strategy will be suitable or profitable for a client's portfolio. Furthermore, there are no assurances that a portfolio will match or exceed any particular benchmark.
