

### EQUITY SPECIAL SITUATIONS

Invest in global, hard catalyst corporate events, examples include corporate activism, restructurings, recapitalizations and spinoffs.

### MERGER ARBITRAGE

Invest in announced Merger Arbitrage deals globally, including hostile and unsolicited transactions.

### CREDIT OPPORTUNITIES

Investment process includes fundamental selection of event-driven corporate credit opportunities globally.

## MIDDLE-MARKET FOCUS

Our investment philosophy seeks to find market dislocations and purchase securities of companies that are not well known or understood, as we believe that the risk/reward is more favorable in middle market companies.
