

Greywolf is a long-term investment partner, committed to the core principles of capital preservation, strong value orientation, quality and transparency.

# ABOUT US

Founded in 2003, Greywolf Capital Management LP (“Greywolf” or the “Firm”) is a registered investment adviser with approximately \$3.8 billion in assets under management allocated across our Distressed, Event Driven and CLO Credit Strategies. Our accomplished and cohesive team of 29 includes 13 dedicated investment professionals. At Greywolf, we combine the expertise developed over our history with time-tested portfolio management skills to offer attractive, risk-adjusted returns over the long-term with little correlation to the broad based markets. The Firm has earned a reputation for its commitment to integrity, transparency and alignment as a true partner with our investors.

Using fundamental bottom-up analysis  
Greywolf specializes in liquid and illiquid  
opportunities across the credit universe in  
assets such as leveraged loans, distressed  
debt, hard assets, credit themed equities  
and private equity.

## OUR TEAM

<https://www.greywolfcapital.com>

At Greywolf, the collective expertise of the entire organization is more powerful than any one individual. Our accomplished research team draws on the experience gained and networks developed while working at some of the largest and most reputable investment banks. The average tenure at Greywolf for investment professionals is over 10 years and spans a variety of market cycles. Greywolf is a truly collaborative environment with a culture focused on integrity and mutual respect.
