What is a Fiduciary?

The word fiduciary comes from the Latin word “fiducia”, meaning “trust”. As a Registered Investment Advisor, ICM is held to the highest standard of care in our industry – the fiduciary standard. This means we always place the interests of our clients before our own while providing transparency of fees and objective, unbiased advice. Certified Financial Planners® (CFP) are also held to a fiduciary standard. ICM’s team includes two CFPs® as well as an Accredited Investment Fiduciary® (AIF).
