Providing financial planning and asset management services

As financial professionals with American Capital Management, we help individuals, families, and small companies determine their financial needs and goals and implement possible solutions. We provide a range of financial services to individuals, employers and non-profit organizations. Whether you are an individual investor seeking information, an employer or non-profit organization seeking assistance with benefits consulting or employee financial education, this web site is here to assist you. Don't forget to bookmark our site and tell your friends about it!
